PROFESSIONAL

MASTER
CERTIFICATION

★ ACADEMIC CREDIT ★

The Region VI OSHA Education Center and Technical Diagnostic Services Training Institute (TDSTI) are pleased to present to all safety professionals the opportunity to earn an Associate's degree. Upon successful completion of the nationally recognized Certified Safety and Health Official (CSHO) program with the Region VI OSHA Education Center you can receive academic credit hours. In pursuing a CSHO, the Region VI OSHA Education Center proudly accepts courses from any other OSHA Training Institute Education Center.

★ CONSULTING ★

In addition to training, call our professional safety consultants for site audits, reporting support or other assistance with your safety, health or environmental programs.

★ CONTRACT TRAINING ★

Bring any of our professional courses to your selected location. You will receive specialized training to meet your needs while saving time and money.
