

A Tribute to Frank Kesy

1944-2010

A man that will have a loving memory with all those who knew him

Frank Kesy was a man who made us laugh
He was a man with a true heart of gold
He went to Heaven before he was old

He will always be remembered for
His kindness of spirit
His rock of strength
His determination of will
His ability to never meet a stranger
His love for his family and friends

He was a true Green Bay Packer's Fan
Even though we here tried to turn him into a Dallas Cowboys Fan

Our hearts go out to his family
...from Frank's TDS Family
